**UNITED STATES BANKRUPTCY COURT
WESTERN DISTRICT OF WASHINGTON AT SEATTLE**

In re

TIMOTHY DONALD EYMAN,

                                        Debtor.

NO. 18-14536-MLB

EX PARTE MOTION TO ALLOW
OVERLENGTH BRIEF

        The State of Washington moves the Court, pursuant to Local Bankruptcy Rule 9013-1(d)(1)(C) and (g), for an ex parte order allowing it to file an overlength response to the Application for Interim Compensation filed by attorney Joel Ard and Ard Law Group PLLC (ECF No. 59), noted for hearing March 7, 2019, with responses due February 28, 2019. In his fee application, counsel seeks an order granting attorney's fees and costs approximating $53,103.65 in compensation for billings spanning the period of November 29, 2018 through January 31, 2019. The State makes this request because responding to the material submitted with the Application entails line-item analysis of several pages of billing statements.

1 The State anticipates its memorandum will not exceed 15 pages. Detailed scrutiny of the fee

2 application does not disadvantage counsel; therefore, consideration of the State's request on an

3 ex parte basis is appropriate.
